N. Y. CONCERN MAY TAKE SEWERAGE ISSUE

BONDS VOTED SOME TIME AGO BY CITY OF DAYTONA MAY BE TAKEN BY A NEW YORK COMPANY.

That the bond market of the country is picking up somewhat is indicated by propositions received by the board of public works from the Sanitary Construction company of New York to take up $150,000 of the sewerage bonds voted by the city of Daytona several months ago, part of the issue of which was furnished for by Sydney Spitzer & Co. of Toledo, Ohio.

As a result of a conference between the board of public works of the City of Daytona and J. E. Chapin, representing Sydney Spitzer & Co., the bond issue has received the approval of Dillon, Thompson & Clay, the attorneys of New York, who have been passing upon the issue, the only condition being the attaching of certain certificates to the bonds. Spitzer & Co. now agree to take $25,000 of the issue in lieu of forfeiting the $1,500 deposit which was placed with the board of public works when bid was received.

The board of public works has taken no definite action in regard to the proposals of the Sanitary Construction company, but it is not at all improbable that this company will take up the balance of the issue.

The Sanitary Construction company has been awarded the contract for the sewerage for the sewerage system, and the contract being a new invention the company is especially anxious to have them installed at Daytona as several other cities are waiting to see the successful installation of the system in Daytona before closing contracts with the company. It appears that before all orders have been made in Germany but the ones to be installed here are of American manufacture.

LOCKED STEERING GEAR CAUSES CAR TO BOLT

A locked steering gear was the cause of a heat auto on a "Flanders 20," driven by W. J. McDonald. The accident occurred yesterday morning, while the car was out for a trial spin. At the corner of Lonnie and Palmetto the car left the highway and rambled on its course toward a convenient telephone post. The only casualty resulting from the casualty charge was the latter scratched best side.

Mr. and Mrs. S. H. Gore went up to Jacksonville Tuesday for a day or two.

INTEREST IN CONTEST IS FAR REACHING

CONTESTANT RECEIVES VOTES FROM READER OF GAZETTE-NEWS IN FAR AWAY NEBRASKA WHO NEVER VISITED HERE.

That the interest in the Gazette-News contest for free trips to the Panama-Pacific exposition in San Francisco, Cal., is wide-spread is evidenced by a letter received by one of the contestants, Miss Maud Klock, with votes enclosed and a visit expressed for her success.

The letter, which was written from Overton, Neb., November 30th, by F. W. Hill, read as follows:

"Please find enclosed a few votes. My people take the Gazette-News and have spent two winters in Florida. While I have never been there I feel interested in the contest and love to hear you win."

Dr. J. A. Kreuter and wife and Mr. and Mrs. James Gordon of Grand Rapids, Mich., are located for the season at the Bethel apartments on North Ridgewood avenue. Dr. and Mrs. Kreuter drove through from Grand Rapids to Daytona in their touring car.

DAYTONA TO AGAIN HAVE A WOMAN'S EXCHANGE

Miss Edith Moore, of Boston, Mass., is preparing to open a "woman's exchange" at 19 Magnolia avenue. Miss Moore came to Daytona two or three weeks ago and finding no woman's exchange in the city and a field which appeared to warrant the support of one, she has decided to engage in the business and expects to be ready to open at the number designated on Magnolia avenue about the middle of this month. There has been no woman's exchange in Daytona for several years.

PALMETTO CLUB MEETING TOMORROW AFTERNOON

The Palmetto club holds its initial meeting of the 1914-15 season tomorrow afternoon at 2:30 o'clock at the Orange avenue clubhouse. The program will open with an address from the new president, Mrs. M. L. Stanley, which will be followed by the reports of the delegates to the last Florida federation meeting, held at Lakeland early this month, and the reports of the delegates to the biennial convention held at Chicago last June. A short business session will follow this program. The club officers will act as hostesses for the day.

FEARSOME MEMBER OF SPIDER FAMILY INSPIRES WIERD STORY

It has been suggested to the Daily News and the Gazette-News by certain persons in Daytona that a warning be published in the papers in forming the public of the presence of a large spider or tarantula. Some who have seen it say it is the size of a man's hat and others positively assert that the "vampire," as often discernable after dark by superstitious-minded people, looks like a silk cow pasted to this mighty insect.

The description of the spider as given by at least three persons tally exactly. It is of a dark brown color, has two legs on one side and four on the other. It has been seen in numerous places about town, including Pete Rodgers' pool parlor, the pier at Daytona Beach, and as far south as the inlet. Hunters like "Jack" Potter, Mortimer Myers of the Cleveland hotel, and Dr. Kluck have actually come in contact with the insect, out in the sticks, which probably accounts for its maimed condition, due to the unerring aim of these famous marksmen.

A mystery that is beyond any solution seems to surround this very unusual insect, since it takes four steps forward on one side and but two on the other, causing a circular movement, which makes it impossible to reach a given point. That the same spider has been seen in places far removed from Daytona cannot be accounted for in any way other than that it originally hailed from the south, where even the mosquitos, after tasting many their object, do not take time to stop and pull out their stingers, but break them off. This, too, it might be that the balmy climate of Florida had so strengthened the desire to migrate that it became possible for it to complete a half mile a day, and go backward, thus fooling its course.

CONTINUING HIS EFFORT TO APPREHEND CAR THIEVES

Dr. P. R. Bennett left Tuesday for Asheville, N. C., where he will spend the remainder of this month, returning to Daytona the first of January. Dr. Bennett will stop over in Jacksonville to attempt with a detective agency in that city looking to the recovery of his Ford touring car, stolen recently from in front of his residence on Orange avenue, and the arrest of the thief or thieves. He will also go to Atlanta, Ga., to place the matter in the hands of the W. J. Burns detective agency. Dr. Bennett is spending rather time and money in his endeavor to find the guilty person.

Mr. Joseph Krause and little daughter arrived Tuesday afternoon from Lawtenchapie, Texas, and will spend the winter here with Mr. and Mrs. George Hillmans at their home on South Ridgewood avenue.

What is a Coolie?

"Coolie" is a term used to designate an Asiatic laborer not belonging to the skilled or artisan class. It does not mean "negro." The word is almost exclusively used to designate those natives of India and China and adjacent countries Japan who leave their native country under contract of service to work as laborers elsewhere.

WILL GIVE EXHIBITION GAME OF BASKET BALL

Preparations are under way to stage an exhibition game on the high school court between the D. H. S. boys and the newly organized town team, to-morrow evening at 7:00 o'clock. The town boys will put a strong team in the field. Most of the men on the team have had several years' experience, and this, together with their advantage in weight, will make them strong contenders. No admission will be charged at this exhibition contest.

STEAMER SUNK WITH SEVERAL HUNDRED NEGROES ABOARD

PENSACOLA, Dec. 2.— According to information which has reached here the steamer Liberia, owned by the negro, "Chief Sato," and which had aboard several hundred colored people whom he proposed locating on the west coast of Africa, was sunk last week in the Indian ocean by a German cruiser. The Liberia was flying the British flag. She remained here a week, and then went down the coast to St. Andrews, where she took on a part cargo of lumber shipped by local exporters. The report is that Chief Sato and all his seamen went to the bottom with the ship.

ORIGIN OF FREQUENTLY USED MILITARY AND NAVAL WORDS

Many a quaint bit of history is embalmed in the words used in war. For instance, the terms "lance sergeant" and "lance corporal" arose from the fact that in the old days the holders of these ranks carried a lance instead of a halberd, round the head of which was twisted a slow match. Just before a battle took place they went round the ranks with these torch-like lances and gave fire to the match-lock men.

"Colonel" comes from the Italian "colonna," a column, the compagnia colonella having been the first company of an infantry regiment, the little column which the "colonel" led. The little "lieutenant" comes from a word signifying "holding the place"; for example, a lieutenant is to a sort of under-study for a colonel. A lieutenant looks after the company in the absence of the captain, and so on.

The word "dragoon" was first used of a regiment of mounted infantry so called from the "dragon" or short muskets with which they were armed; the well known cavalry call of "boot and saddle" is really a corruption of the old French signal "boute-selle" or "put on your saddles."

Admiral comes from the Arabic "Emir al Bahr" meaning "lord of the sea"; commodore comes from the Italian "commandatore"; "mate" is from the Icelandic, and means an equal; and the term "giving quarter" is believed to have originated in the agreement which existed in the old fighting days that the ransom of a foot soldier should be one-quarter of his pay for one year.

REPORT OF STATE CONVENTION READ AT W. C. T. U. MEETING

The regular monthly meeting of the W. C. T. U. was held in Social hall of the Congregational church on Friday of last week. The meeting was quite well attended. An excellent report of the state convention was read by one of the delegates, Mrs. Bena Allen, as Mrs. Ross, who was elected president, does not expect to be in Daytona this winter. Mrs. Bolles was appointed president, pro tem. The meeting was principally a business one.

There was a solo by little Miss Gladys Belcher which was very sweetly rendered. The next meeting will be held December 23rd.

MEN'S FELLOWSHIP CLUB HOLDS SOCIAL MEETING

The meeting of the Men's Fellowship club, held at the Congregational church Monday evening, was the first since the [illegible] organization of the club in which an entertainment program had been provided and was very much enjoyed by all in attendance. The principal features of the evening were an address by Prof. A. E. Main of Alfred university, Alfred, N. Y., and selections on the Victrola by Dr. F. H. Houghton of this city. Professor Main used for his subject, "Opportunity," speaking interestingly of the opportunities before the society which he was then addressing. Dr. Houghton was as usual generous with the Victrola numbers and the remainder of the evening was devoted to social intercourse. Rev. Wm. J. Dean, pastor of the Congregational church, spoke briefly and among other things said he wished to impress the fact that the club was undenominational and members of other churches and men unaffiliated with any church would be welcomed to its ranks.

RANDALL-STILING WEDDING SOLEMNIZED

MISS MILDRED RANDALL AND ACKLIN STILING UNITED IN MARRIAGE AT THE CONGREGATIONAL CHURCH LAST EVENING

The marriage of Miss Mildred Randall, daughter of Mr. and Mrs. A. K. Randall of Daytona Beach, to Acklin Stiling of this city, was an especially beautiful one and was solemnized at the First Congregational church, on Tuesday evening at a quarter past eight o'clock. The church was thronged with the friends of the couple who came to witness the impressive ceremony.

The church was appropriately and artistically decorated for the occasion with masses of bamboo, ferns and quantities of yellow chrysanthemums.

Following Mr. Randall's splendid violin solo, "The Prize Song," by Wagner, the bridal party entered to the strains of the Lohengrin wedding march, rendered by the organist, Miss [illegible]. The bride and maid of honor, Miss Nellie Stiling, proceeded down the center aisle, while the bride-maids, Miss Ruth Randall, Miss Marie Merryday, Miss Edith Stiling and Miss Fay Stewart, entered by the east aisle and the groom, his best man, Rudolph Courtney, and the ushers, J. Riddel, David Shultz, Elmer Kopp and George Foote, entered by the west aisle. The bride and groom met at the altar steps.

The impressive ring ceremony was used, Rev. William J. Dean officiating. Following the ceremony the bridal party, to the strains of Mendelssohn's wedding march, led the way to the social hall of the church, where the wedding reception was held.

[illegible] beautifully attired in white and carried yellow chrysanthemums.

Mr. and Mrs. Stiling left this morning on an automobile trip to the southern part of the state. They will visit relatives of Mr. Stiling at Detroit, Fla., before returning to Daytona Beach, where they will make their home with the parents of the bride.

REPORT OF STATE CONVENTION READ AT W. C. T. U. MEETING

The regular monthly meeting of the W. C. T. U. was held in Social hall of the Congregational church on Friday of last week. The meeting was quite well attended. An excellent report of the state convention was read by one of the delegates, Mrs. Rena Allen, as Mrs. Ross, who was elected president, does not expect to be in Daytona this winter. Mrs. Bolles was appointed president, pro tem. The meeting was principally a business one.

There was a solo by little Miss Gladys Belsaro which was very sweetly rendered. The next meeting will be held December 31st.

MEN'S FELLOWSHIP CLUB HOLDS SOCIAL MEETING

The meeting of the Men's Fellowship club, held at the Congregational church Monday evening, was the first since the recent organization of the club in which an entertainment program had been provided and was very much enjoyed by all in attendance. The principal features of the evening were an address by Prof. A. E. Main of Alfred university, Alfred, N. Y., and selections on the Victrola by Dr. F. H. Houghton of this city. Professor Main used for his subject, "Opportunity," speaking interestingly of the opportunities before the society which he was then addressing. Dr. Houghton was as usual generous with the Victrola numbers and the remainder of the evening was devoted to social intercourse. Rev. Wm. J. Drew, pastor of the Congregational church, spoke briefly and among other things said he wished to impress the fact that the club was undenominational and members of other churches and men unaffiliated with any church would be welcomed to its ranks.

RANDALL-STILING WEDDING SOLEMNIZED

MISS MILDRED RANDALL AND ACKLIN STILING UNITED IN MARRIAGE AT THE CONGREGATIONAL CHURCH LAST EVENING

The marriage of Miss Mildred Randall, daughter of Mr. and Mrs. A. S. Randall of Daytona Beach, to Acklin Stiling of this city, was an especially beautiful one and was solemnized at the First Congregational church, on Tuesday evening at a quarter past eight o'clock. The church was thronged with the friends of the couple who came to witness the impressive ceremony.

The church was appropriately and artistically decorated for the occasion with masses of bamboo ferns and quantities of yellow chrysanthemums.

Following Mr. Bennett's splendid violin solo, "The Prize Song," by Wagner, the bridal party entered to the strains of the Lohengrin wedding march, rendered by the organist, Miss Ella Williams. The bride and maid of honor, Miss Nellie Stiling, proceeded down the center aisle, while the bride-maids, Miss Ruth Randall, Miss Marie Merryday, Miss Edith Stiling and Miss Fay Stewart, entered by the east aisle and the groom, his best man, Hudwin Courtney, and the ushers, J. Riddell, David Sholtz, Elmer Kipp and George Foote, entered by the west aisle. The bride and groom met at the altar steps.

The impressive ring ceremony was read Rev. William J. Drew officiating. Following the ceremony the bridal party, to the strains of Mendelssohn's wedding march, led the way to the social hall of the church, where the wedding reception was held.

The bride was charmingly attired in a white crepe meteor gown, trimmed with real lace. Her veil was of white tulle and was caught up in a cap adorned with orange blossoms. Her only jewelry was a handsome diamond and pearl lavalliere, the gift of the groom. The bridal bouquet was of yellow chrysanthemums.

Miss Nellie Stiling, maid of honor, was charming in a yellow crepe meteor gown. The bride-maids were all becomingly attired in white and carried yellow chrysanthemums.

Mr and Mrs. Stiling left this morning on an automobile trip to the southern part of the state. They will visit relatives of Mr. Stiling at Detroit, Fla., before returning to Daytona Beach, where they will make their home with the parents of the bride.

Alexander Reid, the public school janitor, and his wife will make their home in the rented building for the purpose of keeping it in good order. The house was furnished, but Mrs Moore has had the furniture removed and it will be fitted up for school requirements.

IN FACETIOUS VEIN THE SUPREME COURT HANDS DOWN OPINION

ALLEGATIONS IN CASE FROM VOLUSIA COUNTY ARE LIKENED TO STOPPING THE LIGHT OF THE MOON.

The Florida supreme court in holding that "A judge of a criminal court of record is not disqualified from trying a criminal case within the jurisdiction of his court by the fact that the law firm of which he is a partner are the legal advisers of the board of county commissioners who have charge and supervision of the public roads of the county, and such convict is sentenced to fine and imprisonment in the county jail at hard labor, and is placed by said county commissioners at work under guards upon the public roads of the county," uses very facetious language. The case was that of Eddie Coleman, a negro convicted before the criminal court of Volusia county and sentenced by Judge Bert Fish to serve at hard labor for ten months. The supreme court further held that "Neither is he (Judge Fish) so disqualified by the fact that his law partner is the state's attorney for the judicial circuit in which his county is located." Judge Stewart carried the case to the supreme court on the behalf of the convicted man and among other allegations set up that Landis & Fish are the attorneys for various railroad companies. In concluding its opinion affirming the judgment of the lower court, the supreme court uses the following language: "As for the other grounds of disqualification of Judge Fish alleged in the petition for writ, to the effect that his law firm of Landis & Fish were the division counsel for the Atlantic Coast Line Railway company and for several other railroads and incorporated towns and cities, for any purpose that these allegations can effect this case or any issue therein, or the disqualification of Judge Fish in this case, it would have been equally as pertinent and effectual to have alleged that Judge Fish and his law partner owned a ten acre tract of land each in the moon, and that Judge Fish was thereby disqualified because such holdings obscured the light of that planet and prevented it from shining with its full shine upon the court building in which he held his court."

STOCK INSURANCE PREMIUMS TAXED

EFFECTIVE DECEMBER 1ST—STAMPS MUST BE AFFIXED TO POLICIES BEFORE THEY ARE ENFORCEABLE CONTRACTS.

Among the many things upon which a special tax was recently imposed by the national government are fire insurance premiums. A letter to this paper from State Treasurer J. C. Luning directs attention to the matter, and interested parties are warned for their own safety to comply with the law by affixing the proper stamps. Below is Mr. Luning's letter:

"Tallahassee, Fla., Nov. 25, 1914.

"The Federal Tax of one-half of one per cent on each fire insurance premium, enacted by the federal government to take effect December 1st, 1914, requires these tax stamps to be affixed to all fire insurance policies to make such policies or contracts of insurance a valid instrument. The ruling of the Board of Insurance Commissioners of the State of Florida is that the companies issuing these policies should pay this tax.

"Under the provisions of [illegible] Acts of 1913, Laws of Florida, agents of insurance companies in this state are forbidden paying this tax. The payment of this tax by insurance agents in this state would constitute a rebate, forbidden by the section of law above referred to and would subject them to the penalties prescribed by said law.

OFFICIALS HAVE CLUE TO THE SOLUTION OF MIAMI MYSTERY

MIAMI, Dec. 2.—Evidence has been found which the authorities believe will prove valuable in their attempts to solve the mysterious death of Adam A. Boggs and his 24-year-old daughter, Marjorie. Incidentally, it tended to support the murder theory.

Further examination of the ruins of the country house of the dead lawyer, where the two charred bodies were found, revealed that the switch controlling the residence's electric lighting was open. It also was learned that the spigot connecting with the tank of the suburban water supply system was open when neighbors arrived at the burning house.

A SANITARY DRINKING FOUNTAIN AT CITY HALL

A handsome sanitary drinking fountain has been installed in the vicinity of the city hall by some kind friend of the biped man, who perhaps felt that horses were being given more consideration in this respect because of the proposed establishment of two drinking troughs for them on Beach street, by the Humane society. This gift to a thirsty public is shrouded in mystery so far as the donor is concerned, no one apparently desiring to assume the responsibility for providing free drinks for the people. It was thought that Joe Osborne, who was engaged in installing the fountain, might offer some enlightenment on its origin, but this he declined to do, merely making the statement that it had been furnished by a friend of the public. There is a possibility that Mr. Osborne himself is the guilty party.

TWELVE - MILE SWAMP GIVING TROUBLE NOW — EXPECTED THAT BRICK HIGHWAY WILL BE FINISHED SOON.

ST. AUGUSTINE, Dec. 2.—Although rapid progress is being made in the brick road from St. Augustine to the south county line, there is one bad spot at the Twelve-mile swamp, which is at present almost impassable. In fact, traffic should be suspended as far as possible for several days until this section is improved.

Haste will be made to get the Twelve-mile swamp section improved and paved within the next seven or eight days. A detour was arranged at this point, but this has been found to be impracticable, partly on account of the recent rains.

A number of automobile parties have been stalled at this swamp and no end of difficulty has been experienced in getting through. Conditions have become worse during the past few days, so that it is far from a pleasure in attempting to get through.

It is kept just to notify the public of this condition and it will also be understood that this bad stretch of road will be in fine shape in the very near future, after which the entire trip to the south county line will be good traveling.

Timely Tips.

DANCING CONTEST AT THEATRE TONIGHT

YOUNG LADIES AND GENTLEMEN OF CITY WILL BE GIVEN AN OPPORTUNITY TO TANGO FOR A PRIZE.

Tonight is tango night at the New Daytona theater. It is the first contest of the kind that has ever been put on at a theater here, and judging from talk will prove a big success. This display advertisement in this issue tells of the prizes that will be offered. Three competent judges will pick the winners, they to judge same by the volume of applause given the different contestants. Many have signified their intention of trying for the prizes and a big night is expected. Every young lady and gentleman in the audience is eligible to take part, and all are urgently invited to avail themselves of the opportunity.

The program tonight will be an entire change, offering four acts of vaudeville, and a big all-girl minstrel show. To say the Ches Davis company is growing popular is putting it mildly. The management is in no wise responsible for the trouble with the lighting last evening, which also hurt the moving pictures. This trouble was unavoidable, and will be remedied today. The Elks home and Congregational church were also out for a time. The current was weak nearly all evening at this corner.

MEMORIAL SERVICES SUNDAY, DECEMBER 6

ELKS OF DAYTONA WILL OBSERVE DAY OF REMEMBRANCE OF DEPARTED BRETHREN—FINE PROGRAM ARRANGED.

Throughout the country, Sunday, December 6th, is set apart by the Benevolent and Protective Order of Elks as a day for formal and affectionate remembrance of departed brethren. Full preparation has been made by the Elks of Daytona to fittingly observe this annual occasion—an occasion when are awakened tender memories of comrades gone to their Fraternal reward, on the other side of that River which the living do not cross.

The roll of those Elks who have died since the institution of the local lodge will be called during the progression of that part of the ceremonies in which the lodge officers carry out ritualistic forms.

Among the notable features of a carefully arranged program will be the addresses of Governor Park Trammell and Rev. William J. Drew. Appropriate musical numbers will add much to the impressiveness of the exercises, which are to begin at half past seven o'clock in the evening at the New Daytona theater.

Following is the program:

Overture—Crystal Orchestra.

Opening Ceremonies—Officers and Lodge.

Selection—Sutarcina's Band.

Solo, "Face to Face"—W. J. McDonald, accompanied by Mrs. Otis Pelletier.

Address, "History and Origin of the Order"—Rev. Wm. J. Drew.

Violin Solo, "Melodie," by Tschaikowsky—A. E. Donnelly, accompanied by Miss Ella S. Williamson.

Selection—Sutarcina's Band.

Address, Eulogy—Governor Park Trammell.

DANCING CONTEST AT THEATRE TONIGHT

YOUNG LADIES AND GENTLEMEN OF CITY WILL BE GIVEN AN OPPORTUNITY TO TANGO FOR A PRIZE.

Tonight is tango night at the New Daytona theater. It is the first contest of the kind that has ever been put on at a theater here, and judging from talk will prove a big success. This display advertisement in this issue tells of the prizes that will be offered. Three competent judges will pick the winners, they to judge same by the volume of applause given the different contestants. Many have signified their intention of trying for the prizes and a big night is expected. Every young lady and gentleman in the audience is eligible to take part, and all are urgently invited to avail themselves of the opportunity.

The program tonight will be an entire change, offering four acts of vaudeville, and a big all-girl minstrel show. To say the Ches Davis company is growing popular is putting it mildly. The management is in no wise responsible for the trouble with the lighting last evening, which also hurt the moving pictures. This trouble was unavoidable, and will be remedied today. The Elks home and Congregational church were also out for a time. The current was weak nearly all evening at this corner.

MEMORIAL SERVICES SUNDAY, DECEMBER 6

ELKS OF DAYTONA WILL OBSERVE DAY OF REMEMBRANCE OF DEPARTED BRETHREN—FINE PROGRAM ARRANGED.

Throughout the country, Sunday, December 6th, is set apart by the Benevolent and Protective Order of Elks as a day for formal and affectionate remembrance of departed brethren. Full preparation has been made by the Elks of Daytona to fittingly observe this annual occasion—an occasion when are awakened tender memories of comrades gone to their rewards on the other side of that barrier which the living do not cross.

The roll of those Elks who have died since the institution of the local lodge will be called during the progression of that part of the ceremonies in which the lodge officers carry out ritualistic forms.

Among the notable features of a carefully arranged program will be the addresses of Governor Park Trammell and Rev. William J. Drew. Appropriate musical numbers will add much to the impressiveness of the exercises, which are to begin at half past seven o'clock in the evening at the New Daytona theater.

Following is the program:

Overture—Crystal Orchestra.

Opening Ceremonies—Officers and Lodge.

Selection—Saracina's Band.

Solo, "Face to Face"—W. J. McDonald, accompanied by Mrs. Otis Pellicier.

Address, "History and Origin of the Order"—Rev. Wm. J. Drew.

Violin Solo, "Melodie," by Tschaikowsky—A. E. Donnelly, accompanied by Miss Ella S. Willaume.

Selection—Saracina's Band.

Address, Euolgy—Governor Park Trammell.

Benediction—Rev. S. D. Gammell.

Exit March—Crystal Orchestra.

Attendance upon this memorial service is not restricted to Elks and their families, but the general public is cordially invited to be present.
